

Saleh Abdullah Alwallan

VALUE PROPOSITION — BOARD & ADVISORY ROLES

One director, three vantage points: the CFO who guards capital, the founder who builds and exits, and the researcher who demands evidence before a riyal is committed.

What He Brings to the Board

- **Finance & audit depth** — CFO of a national federation; CME-1 certified; audit-committee ready.
- **Founder judgment** — built, scaled, and exited two ventures; knows operating reality behind board papers.
- **Government-scale strategy** — co-led a 146B+ SAR national strategy across 22 government entities.
- **Research-first governance** — runs a research house; tests every decision against evidence.

Sector Fluency

- **Finance & investment** — development banking, SME finance, receivables policy.
- **Real estate** — 3B+ SAR luxury portfolio; three decades of family construction lineage.
- **Gaming & digital economies** — esports federation leadership, Savvy Games Group establishment.
- **Energy IoT & logistics** — two founded-and-exited operating companies.

Selected Proof Points

10x revenue, Saudi Esports Federation

Professionalized the finance function while growing revenue tenfold as CFO (2020–2023).

SME capital cost: 8% → 2% APR

Redesigned SME reach of the 45.5B SAR Social Development Bank; instant guarantees up to 10M SAR.

National receivables system, MOF

Entrusted by the Ministry of Finance to design the government-wide receivables collection framework.

Two patents, two exits

Inventor on patents in liquid-asset sponsorship (2024) and real estate-backed digital assets (2022).
